PROFESSIONAL SUMMARY

Motivated B.Sc. Computer Science graduate specializing in Artificial Intelligence with a strong foundation in web development, computer applications, and problem-solving. Hands-on experience through academic projects, an AI internship, and certifications. Looking for an entry-level Software Developer or Front-End Developer role where I can apply my technical skills while learning and contributing to the organization.

TECHNICAL SKILLS

- **Languages:** Python, JavaScript, HTML, CSS
- **Tools & Platforms:** Visual Studio Code, Git, GitHub, Microsoft Excel, Microsoft Word, Microsoft PowerPoint, Canva
- **Soft Skills:** Team Collaboration, Time Management, Communication, Adaptability, Quick Learner

EDUCATION

B.Sc. Computer Science with Artificial Intelligence	2023 – 2026
Agurchand Manmull Jain College, Meenambakkam, Chennai	
Higher Secondary Education	2006 – 2023
Holy Family School, Keelkattalai, Chennai	

PROJECTS

- | | |
|--|----------|
| Smart Home Automation Using Hand Gestures | Mar 2025 |
|--|----------|
- Built a gesture-controlled home automation system using Python and computer vision to detect and classify hand movements in real time.
 - Strengthened communication and presentation skills by explaining the project, demonstrating its features, and answering questions during project reviews.
 - Collaborated effectively in a team, improving communication and project management skills.
- | | |
|----------------------------------|-----------|
| Digital Portfolio Website | June 2025 |
|----------------------------------|-----------|
- Designed and developed a personal portfolio website to showcase skills, projects, and certifications.
 - Built using HTML, CSS, and JavaScript, with clean navigation to highlight key projects and skills.
 - **Portfolio:** meshak-22.github.io/digital-portfolio

INTERNSHIP EXPERIENCE

- | | |
|--|---------------------|
| Artificial Intelligence Intern – Pantech E-Learning | May 2025 – Jun 2025 |
|--|---------------------|
- Completed an AI internship and gained basic knowledge of machine learning.
 - Built small projects to practice data preprocessing and model development.
 - Enhanced problem-solving and documentation skills through hands-on learning.

CERTIFICATIONS

- **Gemini Certified Student** — Google for Education (Jul 2026)
- **Build Your First Chatbot** — IBM SkillsBuild (Jul 2025)
